### My Personal Mission Field

### Talk It Over

1. What's one idea from the message that really stood out to you? Why did this idea grab your attention?
2. When you think of the word 'evangelism', what comes to mind?
3. How has our culture changed over the last few decades with regard to its views about Christianity? Have those changes made it easier or more difficult to talk about Jesus with others? Why?
4. When you think about talking to others about Jesus, how does it make you feel? Excited? Scared? Unprepared?
5. Has there been a time in your life when you took a big step of faith? What happened? What did you learn about yourself? About God?
6. Read Matthew 28:18-20 and Acts 1:8. What promises are given to us when we 'take the next step' and talk to others about Him?
7. What does it mean to be a 'witness' to something? Have you seen, heard, or experienced anything about God that could be helpful to others, particularly to those who don't know him?
